As summer 2014 fast approaches, it is time to start thinking of the Summer Food Service Program (SFSP) and feeding children nutritious meals during that critical time of the year when most do not have access to school lunch and breakfast. The Department of Public Instruction (DPI) would like to thank you for your past participation and once again ask for your support through sponsorship of the SFSP in 2014.

Please visit the [DPI SFSP website](#) for 2014 Program information and to register for training and materials. Check out our 'refreshed' refresher training! Do not delay – registration is due February 21st!

If you have any questions/concerns, please do not hesitate to contact me.
